She lives at - Summerville Shoals Columbia
County, John V. Brown lived all of his
life in four miles of my fathers, And I do
know that he never stood Guard or Shouldered
a musket - during the war, he might have been
Conscripted About the end of the war and
put in a substitute, Any way I do know that
he did no service during the war as a Soldier
he run a small Country store during the war
And kept out of the war on account of having
fits, And the Boys of his Neighborhood used
to say that he had fits to keep out of the war
And after the war he never had a Brother one
But gave them to every one that traded with
him, investigate his case and you will find
that his wife should be dropped from the role of
pensioners, Accept my best wishes for yourself
And my old friend A.C.C. Your old friend J.S. Goodhead
